Course Guide - Huron & Pioneer

AREA OF EMPHASIS Students are required to plan and complete a 2.5 credit program of study or area of emphasis. In preparation for further study beyond high school or for careers in the art and design field, students may wish to plan a program with an art emphasis. Art courses may also be combined with other areas of the curriculum to facilitate a combined area of emphasis. 07158 Art and Design is required before a student selects more specialized courses of art study. Students are encouraged to work with a member of the art staff to plan a program of study that will meet their post-high school goals.

COURSE #	COURSE	TERM	GRADE LEVEL				PREREQUISITE
07158	Art and Design	Semester	9	10	11	12	None

Students examine the significance of the visual arts on our lives. Design elements and compositional principles are studied while learning studio techniques. This course will help students appreciate the joy of creating art as well as increase their understanding of the role of art and design in society. Also it is intended for students with a strong interest in art who are considering professional study or a career in art. Students will be evaluated according to their studio participation, quality of work, critical thinking, and class discussions. This course may be repeated one time for credit with another instructor.

11266	<u>Production Art and Design</u>	Year	10 11 12	07158 Art and Design

This is a vocational art course designed for the student who wants to explore art and design as a career. Lettering and typography are covered as students design posters, album covers, t-shirts, logos and other forms of graphic design. Technical skills are stressed and keylining (producing camera-ready art) is taught. A Macintosh computer is available as an art and design tool. Students' designs are often selected, printed and utilized by actual clients from the community. During this course, the student will build a portfolio for job interviews or art school placement. Note: Students must travel to Huron for this course. This course meets for two periods per day for the entire year and may be repeated for credit.
